- ❖ **Health and Missed Classes.** We ask that you keep your dancer home if he/she/they have vomited or has a fever within 24 hours of class or performance. For head lice, please keep him/her/them home until completely treated and de-nitted. Please advise your dancer's instructor at the start of class and we can make alternative arrangements when using headdress props, ie., crowns. **Thanks for taking a proactive healthy approach to keeping our young dancers healthy!**
